Bureau of Internal Affairs

FROM: P.A. Marie J. LANE, #5905
Confidential Investigations Section
Bureau of Internal Affairs

SUBJECT: Explanation of Help Ticket 5896183.

ALLEGATION #1: The complainant Sergeant Patricia MAHER, #1864, 013th District alleges that between 01 December 2011 to 07 December 2011, at an unknown time and location, the unknown accused damaged the in-car camera system (serial #030027) by cracking the screen in police vehicle #6565.

The Reporting Agent contacted Sergeant Lance BECVAR, #1748, Unit 125, Supervisor of the Mobile Tech Section on 24 February 2012 to ask Sergeant BECVAR if he could confirm the date that Help Desk Ticket 5896183 was obtained and as to the reason why it was obtained. Sergeant BECVAR stated that he would forward a To-From Subject Report to the Reporting Agent with the information.

In response, Sgt. BECVAR sent a To-From Subject Report via Web Mail dated 28 February 2012. The To-From Subject Report chronicled the events after the Help Desk Ticket was obtained by Sergeant Regino SAENZ, #1730, 013th District on 01 December 2011.

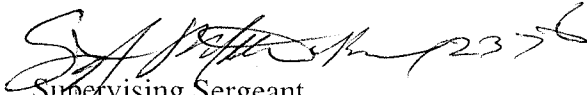

The To-From Subject Report indicated that on 07 December 2011, Tech. P.O. Matthew DALLIO, #11325, Unit 125 in response to the Help Desk Ticket went to the 013th District and discovered the In Car Camera in Vehicle 6564 was shattered by an apparent impact. The report also indicated that the camera could not be fixed in the 013th District because DALLIO did not have the necessary component to fix it. The report details various events that lead up to the repair of the In-Car camera. On 21 February 2012, P.O. DALLIO, #11325 was able to follow up on the Help Desk Ticket after the vehicle was returned from the OEMC Repair Shop.

SUBJECT: **CL# 1051503: Damage to In Car Camera System Headliner Unit s/n 03002762 in Vehicle 6564, Original Help Desk Ticket# 5896183**

R/S was contacted by Inv Marie Lane via Help Desk Ticket# 6416286 regarding CL# 1051503: Damage to In Car Camera System (ICC) Headliner Unit s/n 03002762 in Vehicle 6564, Original Help Desk Ticket (HDT#) 5896183. She requested information about the shattered screen and the history of the original HDT# 5896183.

The original HDT# 5896183 was obtained on 1 Dec 2011 by Regino Sanes of the 013th District

- ✓ 7 Dec 2011 Tech P.O. M. Dallio was able to respond and found Headliner component s/n 03002762 of the ICC system in Veh 6564 was shattered by an apparant impact. (See photo) At that time he did not have a Headliner component with him and could not replace it.

- ✓ 15 Dec 2011 P.O. Dallio returned with a replacement headliner component and made attempts to replace the headliner and could not due to lack of a service loop in the attaching extension cables.
- ✓ 21 Dec 2011 information was sent to the CPD Fleet Liaison Office that this vehicle needed to report to an OEMC Repair Shop for replacement of the
- ✓ 12 Jan 2012 notified by CPD Fleet Liaison Office that repair was made and listed it with our Techs as needing follow-up for system check.
- ✓ 20 Jan 2012 P.O. Dallio attempted to check vehicle ICC system but the vehicle was not available in the district. Down for mechanical repair at the Area Fleet Garage.
- ✓ 2 Feb 2012 P.O. Dallio checked for vehicle again in District and found that the damaged/shattered headliner component was not replaced. P.O. Dallio was able to remove it but not able to replace it.
- ✓ 7 Feb 2011 Called and spoke with CPD Fleet Liaison about vehicle not being repaired and it was scheduled for repair at OEMC Repair Shop on Wednesday 9 Feb 2012
- ✓ 9 Feb 2012 was notified by OEMC Repair Shop Foreman Arntzen that vehicle was repaired
- ✓ 21 Feb 2012 P.O. Dallio was able to follow up on vehicle for system check and it was operational.
